

Dear Mr. Barg,

I liked how you made a movie about the mouse in the tutu and the King and Queen walking down the aisle. With the mental picture in my head I can play the dynamics better.

I think that the one most important thing I learned was that you can use creative ways to learn a piece. Instead of just going over and over the music, you can have fun and learn it as well.

class we expanded the story but  
we never would have gotten  
the idea if it wasn't for you.
