

Helen Foltz  
Orchestra

Grade 6  
April 19, 1998

I thought that Mr. Barg was very musical. He changed the way I look at a sheet of music. Before I looked at how hard it is. But now I look at it and think how great it will sound when I'm done. I also enjoyed Mr. Barg being here because he was very funny. He made me laugh constantly! So I hope I will run into Mr. Barg again someday.
