

Dear Mr Barg

Thank you soooooo much for letting me be concert Mistress this week. It was great. I had never been a concert Mistress before. It was lots of fun. THANK YOU! for believing in me. Because now I am learning to believe in myself and follow my dream to be a famous violinist and bring joy to people just like you brought joy to me.

I am hopefully waiting for the next time you will be my conductor. I hope we can keep in touch.

Love from,

Margaret
